HAPPY HOUR

Monday - Friday, 3pm-6pm,

BEER NERD MONDAY

\$1 off all Beer Nerd beers all-day Monday

You'll need something to wash down those delicious sausages. At LowBrau, we strive to raise the (beer) bar with a wide-selection of excellent beers, which vary from classic German to local breweries to even the most hard-to-find beers from around the world.

In addition to a fantastic beer selection, our cocktail program uses fresh herbs, juices, and quality spirits to create imaginative and tasty seasonal libations.

Prost!
